4.	Our interpretation is as follows ,please confirm if ASP provide the support through dedicated India based landline numbers, then dedicated helpdesk may not be based at Delhi NCR	As per tender document
5.	There seems to be some contradiction between these 2 clauses, pls clarify which one will hold good: Clause 6.91 (1) and 4.5	Bidder has to adhere as per delivery schedule of Clause No. 6.9 of Tender Document
6.	How many RFPs you intent to float in a month and how many buyers, users will be using the same. This is required to estimate the load and concurrency	The system should be capable of executing scope of work as per Tender Document.
7.	In page no. 7 scope of work, intent is not mentioned and even in detailed section on page 39, in fact the scope starts with tender, thus pls clarify the same	Already mentioned at Annexure J at pg. No.36
8.	In page no. 7 scope of work, award of contract and PO is not mentioned, infact the scope end with bid evaluation and even in	Award of contract and PO will be part

	detailed section on page 39 same is missing. Thus pls clarify	of the Application.
9.	Reverse Auction is not mentioned at page 7	As per tender document
10	Is there any threshold value that thought for floating the tenders online that is all tenders valued above Rs x lacs will be floated online and below Rs x lacs will be floated manually	The system should be capable of executing scope of work as per Tender Document.
11	Can you please specify how many amongst the vendors estimate given are active vendors (i.e. those vendors - are participating in the tenders published), This is required as there may be x nos of total vendors registered by the service provider for eProc will not get the yearly registration fees from x nos of vendors, as only those vendors will be interested in paying who would be actually participating thus the service providers revenue will dip basis the reduction in the count from no x. Also kindly specify if the vendor is not willing to pay registration fees, then we will get any support from	As per tender document
12	Can you please specify how will the L1 be determined i.e.. A-will be counted on the basis on per bidder cost for srl no. 1 to 7 (or) B- will it be counted on the basis of per bidder cost multiplied by total estimate of bidders for that category i.e. per bidder cost getting multiplied by the estimate count as given in section 5(II) from srl 1 to 7 in page 15	Already mentioned in Tender Document.
13	Kindly specify in whose favour the DD will be drawn.	In favour of "Commissioner, SDMC"
14	In ASP mode provision of server, internet connectivity, e-Tender application software, connected hardware & also software & hardware to ensure security of the system in all provided in cloud, these will not physically located in client's premises. Kindly clarify if our interpretation is correct. If not then kindly specify why & which items & where we have to provide these.	Physical location of Hardware/Software in client's premises is not mandatory.
15	Since our responses can be finalized only after SDMC clarified the pre-bid queries thus request to postpone the last date to Mar 31st 3:00 pm	No Change/As per Tender Document
16	Since the pdf format provided is an image thus the format needs to typed by hand which will take a huge time to make the soft copies of the format in excel or word format & then to fill it. Hence we request	No Change/As per Tender Document
